

**(Cyberterrorism and Countering Methods) an event organized by the Islamic Military Counterterrorism Coalition**

**Riyadh, 25 - 08 – 2021**

The Islamic Military Counterterrorism Coalition (IMCTC) held today, Wednesday, 25-08-2021, at its headquarters in Riyadh, an event titled: (Cyberterrorism and its Countering Methods) delivered by Brig. Gen. Nawaf bin Nasser Al-Jutaili, the Delegate of the State of Kuwait to IMCTC, in the presence of IMCTC Secretary-General, member countries Delegates and personnel.

The presentation outlined the concept of cyberterrorism, its risks, causes and criminal dimensions where Brig. Al-Jutaili noted that the terrorists take advantage of the internet to set up websites, take down others, spread their radical ideology, recruit followers, gather information as well as

providing training and online funding. He further tied the dimensions of the concept of cyberterrorism to IMCTC's four counterterrorism domains, namely, Ideology, communications, counter terrorist financing and the military.

The presentation is part of a series of the communications domain related symposia, seminars and panel discussions. As mentioned above, communications domain is part of IMCTC's four counterterrorism areas, e.g. ideology, communications, counter terrorist financing and military domain).
