

IMCTC hold a Presentation titled: "How Hacking Occurs? Real Examples from a Hacker's Screen"

Riyadh – 27/10/2021

The Islamic Military Counter-terrorism Coalition (IMCTC) held on Wednesday, October 27, 2021, at its headquarters in Riyadh, a presentation titled: "How Hacking Occurs? Real Examples from a Hacker's Screen", co-delivered by Dr. Basil AsSadhan and Eng. Abdullah Al-Qahtani, in the presence of IMCTC Secretary-General, member countries' delegates and IMCTC personnel.

During the presentation, the speakers discussed the types of cyber-attacks; techniques used and best practices in terms of prevention and protection.

It is worth noting that the presentation comes as part of a series of presentations, symposia, and workshops that IMCTC holds regularly for member countries' delegates and personnel, to raise awareness about cybersecurity, cybercrimes and guarding against hacking.
