

IMCTC hold a Presentation on "Challenges of Using Armed Forces to Support Civilian Government in Counterterrorism Efforts"

Riyadh – 04/01/2022

IMCTC held on Tuesday, January 4, 2022, at its headquarters in Riyadh, a presentation titled "Challenges of using the Armed Forces to Support the Civilian Government in Counterterrorism Efforts", delivered by Lt. Col. Hamed Karim Beg, delegate of the Islamic Republic of Pakistan to IMCTC. Over the course of the presentation, Lt. Col. Karim explored the key obstacles of using the Armed Forces to Support Civilian Government in Counterterrorism operations. He also highlighted some relevant concepts such as stabilization, civilian support and normalization operations.

The event is part of a series of IMCTC's military-domain oriented symposia and presentations that cover the four-counterterrorism domains, i.e. ideology, communications, counter-terrorist financing, and military).
